What is insured?

 - You are either the owner of the vehicle or have a finance agreement in relation to the vehicle or are the registered keeper of the vehicle;
 - You are a resident in England, Scotland, Northern Ireland, Wales, the Isle of Man or the Channel Islands on the start date and remain so throughout the period of insurance;

 - Your vehicle was purchased from a VAT registered dealer within the last 6 months.

- ✓ During the period of insurance, following the total loss of your vehicle due to fire, theft, accidental damage or adverse weather conditions, we will cover:
 - The difference between the motor insurance settlement and the net invoice price you originally paid for your vehicle; or
 - The motor insurance settlement and the amount required to settle your outstanding finance balance, depending on which amount is greater; or
 - If you have purchased your vehicle under a lease agreement, this policy will pay the difference between the motor insurance settlement and the lease early termination charge required by the lease company.

- ✓ We will also cover up to £250 of your motor insurance excess.

 - ✗ Does not result in a full and final motor insurance settlement being paid by your motor insurance policy;
